General Instructions to M.Tech. (IT) Major Project-I Students

- All communications related to Major Project-I will be communicated through Moodle. Students are informed to check Moodle regularly.
- Each student will get 30 minutes for evaluation (20 minutes for presentation and 10 minutes for questions and answers by the panel) during the evaluations.
- The M.Tech. (IT) Major Project-I report must be in the standard format as per the format given by the Information Technology department, NITK.
- If the Major Project Guide or PWEC Chairperson wants to check the demonstration of the entire Major Project-I, then the student should demonstrate the whole project by showing the complete source code of the Major Project-I.
- Zero marks for the "*Implementation/Results and Analysis*" and "*Work Done*" and "*Implementation/Results and Analysis*" components if the Major Project-I source code is directly taken/copied/downloaded from the Internet or any other source. If a student uses the source code downloaded from the Internet or taken from any other source, then the student should show the modifications made to the source code of Major Project-I.
- Turnitin-generated plagiarism and AI score (both) for the Major Project-I reports (both Mid-Semester and End-Semester reports) should be less than 15%; otherwise, zero (0) marks will be awarded for the Major Project-I report.

  Plagiarism Score = Plagiarism Score given by Turnitin Tool – Self-Plagiarism Score

  Where the Self-Plagiarism score means plagiarism identified in their own article/paper(s).
- Turnitin-generated plagiarism report should be appended to the end of the Major Project-I reports (both Mid-Semester and End-Semester reports). Only such a Major Project-I report should be uploaded onto Moodle. If the plagiarism report is not attached, zero (0) will be awarded for such a submission.
- Students should approach the guide to get the Turnitin-generated plagiarism report at least three working days before the Major Project-I report submission on Moodle.
- No email submission of the report is considered for evaluation.
- Student must submit the hardcopy of the report to the panel members at least two working days prior to the evaluation (presentation).
- Leaves may be permitted during the evaluation, strictly following the guidelines given in the NITK POSTGRADUATE and RESEARCH Curriculum for 2025 (G8. Absence During the Semester).

For Students who are doing internship in offline mode (off campus):

- After the internship tenure, students should report to the department through proper channel with a reporting letter forwarded by the guide and the HoD. Appropriate institute norms will be applied if students failed to complete the required formalities.
- During the internship tenure, the students should submit the monthly progress report to the department signed by the guide.
